Strix Nocturna

VIEW SOURCE

This fan-fiction article, **Strix Nocturna**, was written by [Adalwulf of Aedirn](#) and [Witcher190](#). Please do not edit this fiction without the writers' permission.

"Feathers, and blood I don't like where this is going."

—A witcher's words examining evidence of a Sheeree attack.

The **Strix Nocturna** also called the **Sheeree** is a type of vampire womanoid of the Ammurun Tribe, which is related in some way to the Alp of the Gharasham tribe.

They're much more powerful than a Alp. As a **Strix Nocturna** often flies using its owl-like wings. They're very difficult opponents even for a veteran witcher, but have come to be a little easier to take on as witchers have come to employ crossbows and later guns.

Like their cousin the Alp, a **Strix Nocturna** can

Physiology

Human Form

As a human they tend to take the form of physically beautiful women though some of their bird like traits show through like wide eyes, a tendency to face something with their full head instead of looking at them sideways, their hair while in human form is the same color as their feathers in their true form so it can potentially be used as a measure to identify one if one has a unique coloring.

True Form

A **Strix Nocturna** in her true form resembles a bipedal owl similar to a screech owl but much larger slightly bigger than a large man so around the 6 foot 2 inch mark when it stands fully upright, it sports massive feathered wings a unique feature among its kindred, it has a few fingers on its wings that it can use as rudimentary weapons or as a more clumsy set of hands, often the claws and mouth of a Strix Nocturna are stained in blood and viscera.

Abilities

- **Vampire Physiology:**
 - **Blood Consumption:** A **Strix Nocturna** has the power to gain power from blood usually by ingestion.
 - **Blood Absorption:** A **Strix Nocturna** has the power to absorb blood to temporarily increase its abilities.
 - **Blood Empowerment:** A **Strix Nocturna** possesses the power to gain strength from the ingestion of blood.
- **Strix Physiology:**
